*\*Remember to delete following instruction prior to submission of your abstract.*

- *Abstracts must be formatted to a single A4 page (210 x 297 mm).*
- *The top margin should be set to 15 mm, bottom margin to 25 mm, and left and right margins to 20 mm. Do not use fonts other than size 11 pt Times New Roman or Symbol for the body of the document (including equations and figures), with single line-spacing.*
- *Title should be styled as above.*
- *Authors should be listed consecutively (as above) by first name and last name, punctuated as shown. Underline and include email for presenting author. Affiliation should be indicated with superscripted suffix Arabic numerals. Do not append degrees, professional designations, etc., to names. Affiliations should be listed consecutively.*
- *The abstract text is divided into INTRODUCTION, MATERIAL & METHODS, RESULTS, DISCUSSION & CONCLUSIONS and REFERENCES.*
- *Maximum of 4 references using the layout used in AMYLOID. 1 Huang G, Ueda M, Tasaki M, et al. Clinicopathological and biochemical findings of thyroid amyloid in hereditary transthyretin amyloidosis with and without liver transplantation. Amyloid 2017;13:1-6.*
- *Figure/picture must be last on page. Please note that you may only use one figure **or** one table. Figures should have a resolution of 200-600 dpi. Figure and table should have the caption below and above them, respectively.*

**INTRODUCTION:**

**MATERIALS & METHODS:**

**RESULTS:**

**DISCUSSION & CONCLUSIONS:**
